

**Attention 6<sup>th</sup> Grade Families...**

It is time to reflect on your child’s elementary years and share a special dedication to them. Orazo is offering a ¼ size dedication for \$25 in the annual Bearcat Yearbook.

In the dedication, you may share pictures and a special message to your child. You may want to congratulate your child for completing their first educational endeavor or wish them the very best on their next. Your message to your child is a personal and public way to share your love and support.

Please use the area below to write your special message. Please send pictures electronically to [theatan@cusd.com](mailto:theatan@cusd.com).

**If paying by check please make out to: CLOVIS UNIFIED SCHOOL DISTRICT**
